POLICE

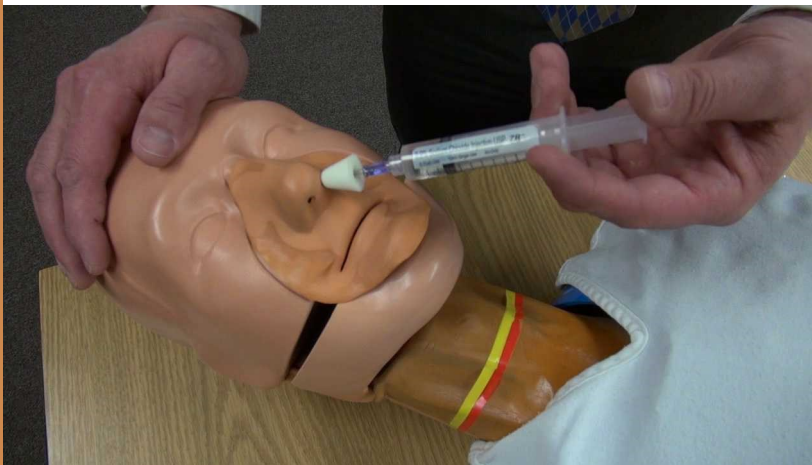

2016 Woodstock Police Officer of the Year

We are pleased to announce that **Officer William J. Lintner** has been selected as the **2016 Woodstock Police Officer of the Year**. Officer Lintner will be honored by the Moose Lodge on Saturday, November 5th, as part of their annual Community Hero Awards night. The event starts at 6:30 pm with dinner served at 7:00 pm. Tickets are available for \$15 and can be purchased at the Moose Lodge or contact Chief Lieb. Officer Lintner will also be entered into consideration for McHenry County's Police Officer of the Year at the annual McHenry County Chiefs of Police Association (MCCPA) Dinner early next year. The MCCPA event will take place on January 21st, 2017, at 6:30 pm at Joe's Place in Marengo. Tickets are \$50 per person if you are interested in attending. Please *congratulate Officer Lintner if you see him*.

Starcom21 Radio System

On Tuesday, October 25th, the Department took a step into the 21st Century by switching over to the Starcom21 radio system. This modern communications system not only improves the quality of over-the-air transmissions, but will also be more cost-effective than the VHF system and will improve the efficiency of NERCOM's Dispatch consolidation efforts; NERCOM is an acronym for "Northeast Regional Communications" and will serve as the dispatch center that will service Woodstock beginning May 2017.

Narcant Training

All sworn members of the Woodstock Police Department are undergoing in-house training in the proper deployment of the opioid-reversing medication Narcan. Once all members are trained, all sworn personnel will be issued a Narcan kit to use in saving the lives of those experiencing a heroin overdose.

POLICE

DEA Drug Take Back

On Saturday, October 22nd, Woodstock PD served as a collection site for the recurring “National Drug Take Back Day” event sponsored by the DEA. This fall’s event took in a total of 84.4 pounds of expired or unwanted prescription medications. It is comforting to know that these unwanted and expired drugs will never be ingested by an individual or make it into our precious water system.

Open House for Law Enforcement

On November 6th, the Woodstock Police Department has been invited to attend and participate in the “Open House for Law Enforcement” at the Woodstock Harley Davidson from 3:00 - 6:00 pm. This event is a free event to all law enforcement personnel to recognize them for their public service. Six area law enforcement agencies have been invited to attend this event. (See Flyer on page 17)

Coffee with the Chief

Chief Lieb cordially invites you to attend his next “Coffee with the Chief” on Monday, November 14th, from 7:00 – 8:30 pm in the Training Room at the Police Department.

November’s guest speaker will be the newly appointed civilian supervisor for NERCOM, Ms. Jennifer Synek.

THE POPULAR ANNUAL
FINANCIAL REPORT

*for the Fiscal Year
Ended April 30, 2016*

Popular Financial Annual Report (PAFR)

A Popular Annual Financial Report, or PAFR, is a document that is intended to convey the financial results of the City's operations to those stakeholder's of the City that do not necessarily have a background in public finance. The document, among other things, derived from the government's Comprehensive Annual Financial Report (CAFR), uses graphics and other visuals to augment the financial message, and is not to be overwhelmingly technical in nature. These requirements are sometimes contrary to traditional financial reporting.

Woodstock City Staff completed the April 30, 2016 PAFR last month. As has been the case in prior years, the PAFR is available on the City's [website](#). In addition, it will be included as an insert in the November 16th addition of the Woodstock Independent.

FY16/17 Budget Award

The City of Woodstock has again received the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for its FY16/17 budget. This is the 15th consecutive year and the second year under the new budget format that the City has received this prestigious award. This award is given to state and local governments who prepare a budget document of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's best practices on budgeting.

PUBLIC WORKS

Leaf Collection Information

Anytime during the leaf collection program, the Department of Public Works will collect compostable paper bags filled with leaves. This service will remain available until the end of the day Friday, December 2.

MONDAY, NOVEMBER 7

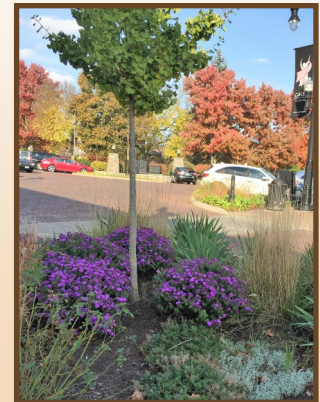

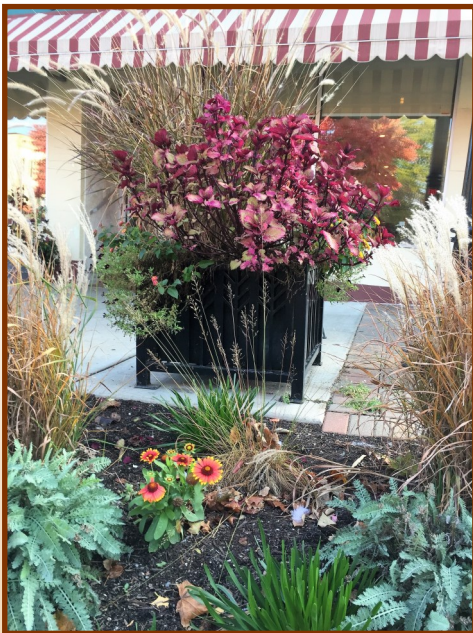

Weather permitting, leaf collection begins on all streets NORTH of the railroad tracks during the week of November 7—November 11. Residents in this area should have their leaves raked to the parkway by 7:00 am on Monday, November 7.

MONDAY, NOVEMBER 14

Weather permitting, leaf collection begins on all streets SOUTH of the railroad tracks during the week of November 14—November 18. Residents in this area should have their leaves raked to the parkway by 7:00 am on Monday, November 14.

What's Blooming—Fall Edition

Take the opportunity to see the Square's landscaping in the fall! The downtown bumpouts and flower planters continue to bloom thanks to recent mild temperatures (shown below—Gaillardia, Edward Funcke, Purple Iris, and Purple Dome).

Wastewater Treatment Lab Manager Attends BOD Workshop

Wastewater Treatment Laboratory Manager, Wayne Baker, recently attended a workshop regarding dissolved oxygen in laboratory samples. Each Wastewater Treatment facility is required to perform a weekly Biological Oxygen Demand analysis on its effluent and submit those lab results to the Illinois Environmental Protection Agency on a monthly basis. The dissolved oxygen test can be difficult to analyze and therefore, this hands on workshop with various training stations was invaluable to continue Wayne's consistently accurate results for this required lab test.

City to Offer Holiday Light Recycling

The week of November 14th, the City of Woodstock, in partnership with Elgin Recycling, will begin accepting unwanted holiday light strands and extension cords for recycling. All colors and lengths of lighting/cords will be accepted, and drop off locations include:

- City Hall, 121 West Calhoun Street
- Woodstock Police Department, 656 Lake Avenue
- Woodstock Public Library, 414 West Judd Street
- Department of Public Works, 326 Washington Street

Garland, live greens, wreaths, or other non-recyclables containing lights cannot be accepted as part of this program. Unwanted light strands will continue to be accepted until Friday, February 17, 2017. For more information contact the Department of Public Works at pwdept@woodstockil.gov or (815) 338-6118.

Right-of-Way Permit Reminder

Did you know any resident or contractor performing work which may enter the City's right-of-way is required to fill out an application and obtain a permit from the Department of Public Works? Examples of work which may enter the City's right-of-way include: repair or replacement of a private water or sewer service, replacement of a concrete or asphalt driveway, replacement of a sidewalk, or the widening of an existing driveway.

Prior to the start of any work, a 'Right-of-Way Opening Application' shall be completed and submitted to the Department of Public Works (the application can be found on the [City's website](#)). The application must be accompanied by a \$100.00 permit fee and a refundable \$100.00

deposit. An initial inspection is completed and upon approval a permit number is issued. The applicant will also be notified at this time of any project requirements, such as a pre-pour inspection. Once the project has been completed and the right-of-way has been restored to the Department's satisfaction, the \$100.00 deposit is returned to the permit holder. For more information, please contact the Department of Public Works at pwdept@woodstockil.gov or (815) 338-6118.

RECREATION

Costume Contest Brings Out the Community's Creativity

It was the best weather in years as the **Opera House, Recreation Department** and other City departments collaborated on another successful Halloween celebration on the Square. Festivities kicked off at 4pm with the Costume Contest followed by Trick-or-Treating on the Square until 5pm.

Winners received prizes donated by the Rec Department including a Napoli's Pizza gift certificate, five - day passes to Woodstock Water Works, and a three-month family membership to the Rec Center.

Tween Trips Popular This Fall at Rec Department

Tweens are filling bus trips this fall on D200 days off of school. Last week Program Coordinators Al Dunker and Becky Vidales took thirteen to Gameworks in Schaumburg on a half day dismal. The crowd had a two hour game card and a pizza buffet!

More trips will be offered after the new year. Tween Nights are still happening the first Saturday of each month at the Rec Center from 6:30-8:30 pm. Swimming, games and open gym are available for a \$5 drop in rate. Upcoming dates; November 5th and December 3rd.

Seniors Group Mysterious in October at Coffee at the Café

The mysterious month of Tuesdays in October began with a visit from local author Emily Kaplan. She has written a series of humorous mysteries and came to talk about her most recent novel, *Dead Man on Campus*. Emily is also a Group Fitness Instructor at the Rec Center. To continue with the theme, Bingo prizes were wrapped so they were a mystery to the winners and a surprise lunch of Baked Potato Soup from Public House was served on a cool fall day!

The Thursday Gathering with Hearthstone Communities brought Story Teller Jim May to the Stage Left Café to tell stories to the group.

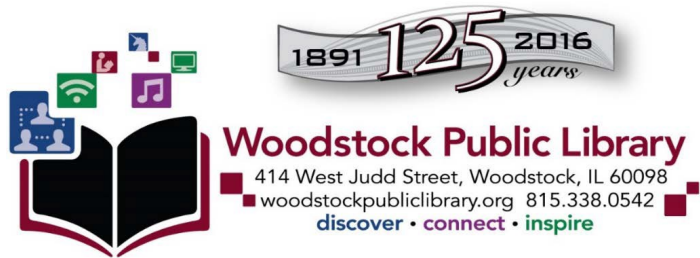

Canvas Craze Workshop

Green Living Expo

McHenry County College is hosting this event on Saturday, November 5th from 10:00 am to 3:00 pm. Learn about the latest in sustainable living, get ideas for energy savings, shop for green gifts, and take in fun, educational exhibits. Tour a fully-decorated tiny house, test drive an electric car, and check out super mileage and solar cars. For further information, click [Green Living Expo](#).

Recycling Drive

The McHenry County Defenders are having a recycling drive on November 5th, 2016 at the Green Living Expo at McHenry County College. They have a list of different items that they are accepting on the McHenry County Defenders [website](#) and on the McHenry County College website. The Defenders are accepting certain items like electronics and fluorescent tubes for a fee. Here are the websites in case anyone calls regarding the recycling drive.

Rendezvous With A Comet! November Family Science Night

On Friday, November 11th, students 4th grade and above from 6:00-8:30pm will go on a daring mission to take an up-close look at a comet as it streaks its way across the galaxy. Their goal is to plot a successful course to rendezvous with the comet, launch a probe to collect scientific data of the object, and keep the astronauts safe. What seems at first to be a routine exploration is filled with challenges and emergencies, and each obstacle that stands in the way of the mission requires all participants to work together as a team in order to make the mission a success! **Deadline to register is Monday, November 7th**
